

Student Fundraising Appointment Letter

Hi *[their name]*,

I hope you are doing well! *[something personal about them]*

[Insert how you're doing and how your campus has been during the pandemic] I'm praying about how to use my interests and talents in *[insert talents, interests, major, or delete]* to fulfill God's call to us to share the gospel worldwide.

Because of *[reason you think they would connect with Urbana and/or your interests]*, you came to mind as someone who may be interested in hearing more about my journey and praying about a key next step for me: participating in the Urbana missions conference. I'd love to get together with you to share my *[heart/thoughts]* on both and invite your partnership in God's work through Urbana by praying and financially giving support.

I'd love to meet you for coffee or for a video call, whichever is more convenient. If you would like to connect on this, please let me know some days and times that might work for you. If I don't hear from you, I'll reach out again soon.

Blessings,

[your name]
